WEEKS INTEREST

- **The only ‘Tier 1’ petroleum royalty interest in Australia**
 - **Underpins Royalco cashflow circa \$900,000 per annum**
 - **Exceptionally long production profile**
 - **Benefits from rising east coast gas prices**
-

REEFTON – SUBSTANTIAL POTENTIAL

Robust preliminary economic assessment of the high grade Blackwater deposit (600,000 ounces @ 21g/t gold)

BOWDENS – ONE FOR THE LONG TERM

- **Kingsgate purchased project 2012 for \$75 million**
- **Feasibility study to be released this quarter**
- **Project has 10 year-plus mine life, using existing studies as a guide**
- **Potential to generate revenues of \$5 million at year one, then just over \$2 million p.a. thereafter, based on current spot silver prices and historic guidance as to proposed production levels**
- **Target production start up heavily dependent on price of silver**

DIVIDEND POLICY

Dividends paid since 2010:

- **Guideline is 60 per cent after-tax profits to go in fully franked dividends**
- **Paid six-monthly**

RCO is the only ASX-listed hard rock mining/petroleum/exploration company of < \$20M market cap to pay a fully franked dividend.

Only 27 out of 1044 companies on ASX mining/oil list pay dividends and only 17 of them fully franked .

2015
