Dear Sir/Madam

June 2010 Capital Return – ATO Determination

You may recall from our previous letter to shareholders regarding the above capital return to shareholders that we had agreed with the ATO to lodge an objection to the ATO assessment in conjunction with a nominated shareholder.

Further to that announcement on 13 February 2012, the Company is pleased to announce that the ‘test shareholders objection’ has now been allowed in full. Accordingly, in accordance with the Company’s advice to shareholders at the time, the distribution may be properly treated by shareholders as a return of capital in 2010, with no amount attributed as an unfranked dividend.

Yours faithfully
