REVIEW OF OPERATIONS

The consolidated net loss after income tax for the half year was \$220,395 (2005: loss of \$158,979)

The half year to December 31, following the successful IPO of the company in June 2006, has been one of significant progress, with the development of the Reefton Gold Project in New Zealand being a significant step forward in achieving our corporate goals of generating royalty income whilst expanding its exploration activities.

Further positive announcements by the operators at Mt Garnet and Mt Kelly will substantially enhance our Company's cashflow through forthcoming periods consolidating Royalco's already strong financial position.

In the Philippines, the company posted solid progress, with the commencement of diamond drilling activities at Samay, granting of the Malangza exploration permit, fieldwork in five project areas and employment of additional geologists. Proposed exploration programmes involve diamond drilling on a number of advanced prospects during the 2007 year.

Independent Auditor's Review Report to the Members of Royalco Resources Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Royalco Resources Limited, which comprises the balance sheet as at 31 December 2006, and the income statement, cash flow statement, statement of changes in equity for the half-year ended on that date, selected explanatory notes and the directors' declaration of the company at the end of the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of an Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matters that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2006 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Royalco Resources Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

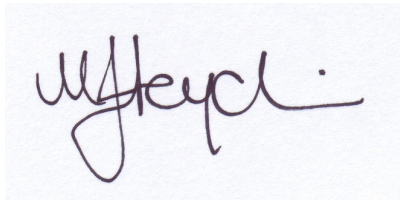

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Royalco Resources Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2006 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Yours faithfully
